

ANUBIS PARANORMAL RESEARCH ORGANIZATION

Investigator

Conducts investigations of paranormal phenomenon using scientific methodology with a focus to debunk strange occurrences. Conducts investigation of client locations using EMF meters, audio/video recording devices, digital cameras and other applicable equipment. Examines evidence obtained during the investigation for identification and analysis. Reports findings of evidence from investigations to Tech Manager or management team. Performs any duties necessary as assigned by management.

1. Investigates client location and attempts to debunk client's claims or document paranormal activity.
2. Assists in setup/breakdown of equipment at client location under the direction of Lead Investigator / Tech Manager or above.
3. Reviews evidence recorded with personal equipment and submits findings. Will be required and assigned to assist Tech Manager with review of evidence with group equipment. Will be responsible for meeting assigned deadlines set by Tech Manager for evidence review.
4. Follows the direction of Lead Investigator or management team member and assists in duties as assigned.
5. Participates in minimum of one (1) case per month during each calendar year. Also required to participate in 80% of meetups, events, conference calls, team meetings, and other team related activities. Participation in these activities is a requirement to be an active APRO member.
6. Required to participate in annual continuing education as directed by management.
